

Customer Complaint Notification

Active Pharmaceutical Ingredient (API)

Complaint Source: Zydus Formulations (B2B API Customer)

Customer Name: Zydus Formulations Pvt. Ltd.

Date Reported: 2026-07-12

Product Name: Metformin Hydrochloride API

Grade: IP/BP

Batch/Lot Number: MFH260712A

Manufacturing Date: 2026-07-01

Retest Date: 2029-06-30

Quantity Affected: 25 kg (1 HDPE drum)

Complaint Type: Contamination - Foreign Particulate Matter

Description: During pre-dispensing inspection, the customer's QC team observed black foreign particulate matter in one HDPE drum of Metformin Hydrochloride API. The drum was sealed on receipt. Sample retained for investigation; the customer has requested a root-cause investigation and batch disposition.
